## Game On!

*Beer pong tournaments take center stage at Blondies*

Miracle Mile Shops  
at Planet Hollywood  
Resort, 11 a.m.-2 a.m.

Sometimes you want to go where everybody knows your name, and other times you want to go where you can't remember your own name. When done right, a night out at **Blondies** takes care of the latter... and any plans you might have scheduled before noon the next day. Such is the reputation of the glorious sports bar located in Miracle Mile Shops at Planet Hollywood Resort.

If you're into the FIFA World Cup, you'll want to drag yourself out of bed extra early (or just fire in from the club) and head over. Blondies is showing the games and serving breakfast from 4:30 a.m. It also offers beer specials throughout the games.

A daily happy hour gets things started with \$20 all-you-can-drink from 3-6 p.m., but if you long for the days of college, or

perhaps never have been, or have just seen *Animal House* one too many times, Blondies has all the accoutrements to make Bluto proud.

Nothing drives this point home more than Thursday nights, when the unofficial sport of dank college basements, beer pong, takes center stage in a round-robin tournament with a bar tab on the line.

Yes, nothing puts the silver lining on a Vegas vacation quite like an officially sanctioned game of beer pong, and no place matches the sheer, simple fun of Blondies. (New on Wednesdays is doubles beer pong, beginning at 9 p.m.)

Whether you end the night chanting "Toga!" or are coaxed into wearing one by so-called friends, you'll have an experience to remember, or the photos to prove it. —Jack Houston
