

BLONDE AMBITION

Sometimes you want to go where everybody knows your name, and other times, you want to go where you can't remember your own name. When done right, a night out at **Blondies** (MIRACLE MILE SHOPS AT PLANET HOLLYWOOD RESORT, 702.737.0444) takes care of the latter. Such is the reputation of the glorious sports bar located across from the V Theater. ¶ If you long for the days of college, or perhaps never have been, or have just seen *Animal House* one too many times, Blondies has all the accoutrements to make Bluto proud. ¶ Nothing drives the point home more than Thursday nights, when the unofficial sport of dank college basements, beer pong, takes center stage with a round-robin tournament and bar tab on the line. —JACK HOUSTON
