WITH A TWIST

Back to Basics

Every cocktail starts with a story - from the legendary lore of the Bloody Mary's creation at Harry's Bar in Paris, to the legions of female fans of the Cosmopolitan, courtesy of "Sex and the City." ABSOLUT is paying homage to the iconic cocktails that made the brand famous with its new DRINKS campaign. Bringing simplicity back to mixology, ABSOLUT will be adding another drink to its repertoire, to be released in the coming months. As for us, well, thanks to Carrie and co., we can't turn down a well made Cosmo. www.absolut.com

ABSOLUT COSMO

- 1 ½ parts ABSOLUT CITRON
- 1 part cranberry juice
- ¾ part Hiram Walker Triple Sec
- ¼ part fresh limejuice

Mix ingredients in a cocktail shaker with ice. Strain into a cocktail glass. Garnish with an orange peel.
