Las Vegas is considered a paradise of entertainment and gambling, but its shopping is not to be ignored. There are plenty of places to splurge, such as at **Miracle Mile Shops** at Planet Hollywood Resort, where you can find everything from a swanky tattoo studio, Club Tattoo, to endless clothing stores, one-of-a-kind boutiques and several restaurants.

Urban Outfitters, H&M, Quiksilver, American Apparel, Billa-bong, Ben Sherman and True Religion offer cool, casual looks with a trendy edge that can be dressed up with sparkling jewels from Swarovski. Sexy, contemporary clothing stores like Bebe, Marciano, Betsey Johnson and Stash offer colorful party dresses, with plenty of pop to get you noticed even

under the bright Vegas lights. For the ultimate night out, stock up on extra touches and accessories from Victoria's Secret, Guess and Wild Pair, or add to the fun by picking up makeup, perfume and body products at Sephora, L'Occitane and Aveda.

Sammy Hagar even chose Miracle Mile Shops to open the flagship location of his wildly popular Cabo Wabo Cantina. Sitting Stripside with a huge open patio, the two-story hot spot has a great view of the city lights, perfect for catching the Fountains of Bellagio during the day or watching Las Vegas Boulevard heat up at night. For a country-meets-rock 'n' roll twist, try out the new PBR Rock Bar. —Emma Trotter
