Miracle Mile Shops at Planet Hollywood Resort & Casino will partner with Autism Speaks in April for its national *Light It Up Blue* campaign by turning its fountain blue in honor of National Autism Awareness Month.

Beginning Friday, Miracle Mile Shops' fountain will showcase a brilliant blue glow between regularly scheduled shows. All money tossed into the popular water feature, as well as the center's indoor rainstorm, will be donated on behalf of Miracle Mile Shops to Autism Speaks. The money raised supports research for treatments and a cure as well as educational programs and assistance for individuals and families affected by the disorder. The fountain will maintain its bright blue shade until the end of the month. Fountain shows take place at the top of every hour from noon to 11 p.m. daily.
