## SADDLE UP

Miracle Mile Shops at Planet Hollywood Resort is excited to welcome PBR Rock Bar & Grill-the latest spot on the Strip to grab a bite, buck up to the bar for a shot and a beer, and party the night away. The venue introduces a modern vibe, where Sexy Cowgirl meets Bad Boy Rocker in the apex of the Las Vegas Strip. Fresh versions of traditional American comfort food created by Executive Chef Billy Boyle are available for lunch, dinner and late-night dining. The 3,000-square-foot patio, overlooking Las Vegas Boulevard, offers a raised bar/lounge area stocked with fire pits and comfy seating perfect for people watching. Inside, enjoy the live music performances, DJs spinning a variety of music, and staff members swinging from the ceilings nightly. Those that are brave enough can ride PBR's mechanical bull, but hold on tight. 702-750-1685; [pbrrockbar.com](http://pbrrockbar.com)
