Keep your wine fine with the home **SKYBAR ONE WINE SYSTEM** (\$399). This smarty-pants guest-pleaser dispenses your favorite Pinot Noir—and then preserves the opened bottle for up to 10 days. Prefer white wine? The patented gadget chills Pinot Grigio (and 14 other varietals) to its perfect temp. Nixing the pressure to finish up to three bottles, the Skybar Three easily turns wine-fueled get-togethers into fancy tastings and its owner into hostess with the mostess in no time. skybarhome.com
