STYLE

HOLD YOUR HEAD HIGH

There's a hat out there for everyone [PHOTOGRAPHS BY LEILA NAVIDI + STYLED BY NICOLE CHANDLER]

→ George Bernard Shaw once said, "If a woman rebels against high-heeled shoes, she should take care to do it in a very smart hat." With or without the stilettos—and, gentlemen, we're guessing you go mainly without—a smart hat is a very fine thing indeed. It can add a dose of dashing, shade you from the sun and turn just about anyone into a character worth a conversation. This week, our staffers donned caps, fedoras and sun hats in search of their perfect looks, one of which might just work for you too.
