Las Vegas (KSNV) — A California-based burger chain has made its way to the Las Vegas Strip.

Irv's Burgers has opened at the Miracle Eats Food Court, located in the Miracle Mile Shops at Planet Hollywood.

The burger stand is known for its nostalgic flair and classic American favorites, which include the Irv's Original Roadside Single Burger and Irv's Chili Cheese Dog.

Irv's Burgers first opened in West Hollywood along Route 66 in 1946, serving crowds with its classic comfort food.

To celebrate the opening, as well as the Miracle Mile Shops' 25th anniversary, Irv's is offering 25% off milkshakes throughout August.

The new burger stand adds to the growing culinary offerings lineup at Miracle Eats Food Court, which includes local and national eateries like Carnegie Pizza, Dave's Hot Chicken, Chipotle Mexican Grill, Lobster ME, Tacotarian, and Fat Tuesday.
