Rosa Mexicano

For a feed-worthy spot with a spirited atmosphere, check out this restaurant at Miracle Mile Shops inside Planet Hollywood Resort & Casino. The bold colors and festive accents make for the perfect backdrop for your content (there's even an entire room devoted to the color pink!). Serving up a tantalizing fusion of Mexican food, be sure to order its signature tableside guacamole to capture some fun shots as it's made in front of you. Plus, you cannot go wrong with a 'Gram-worthy margarita or two!
